#### Instructions

The barcode is for our warehouse outbound use only and is not relevant for installation.

If your hazard light and unlock door button are together(as shown in pic① ), Please use the plug-A with the label name "High model hazard light"

If your OEM center console only has a hazard light button(as shown in pic② ), please use the plug-B(with no label).

To prevent issues like the steering wheel controls not working, please be sure to follow the setup steps(as shown in pic③ ):

Please press Settings-Factory Settings (inputpassword 3368)—Car Model to Choose "RZC(Raise) —Ford—Focus—Ford.ALL"
