Help:

You can scan the QR code to watch the installation video tutorial online. If you encounter any problem, please contact our customer service team for assistance.

If your car have an AUX port in the armrest compartment, please connect the 3.5mm to RCA audio cable.

If your car does not have an AUX port in the armrest compartment, please contact us, and we will send you an audio adapter as picture show.

If your original car screen is 4 inches, please be sure to follow the setup steps below to prevent issues such as steering wheel controls not functioning.
